P/APE CALESSINO/07/2013

THE NEW APE CALESSINO 200, THE ICONIC THREE-WHEELER

Like a still from the film *the Dolce Vita*, the Ape Calessino 200 evokes an aura of charm, a sophisticated Mediterranean lifestyle and glamorous holidays. Its souvenir album includes Capri, Portofino, Cannes, Positano and Forte dei Marmi; narrow roads winding down to isolated coves; sea breezes and scents; aperitifs at sunset with a view over the cliffs; a joie de vivre; a lifestyle which is radiant.

The Ape Calessino 200, the latest addition to the family of vehicles which from 1949 onwards has revolutionised passenger transport in historic city centres and on winding roads, have kept all the fresh, non-conformist style of the original version. Technical improvements effortlessly blend with a design that is faithful to the everlasting style which has made the Ape Calessino an icon of a glamorous age. The new compact size makes the Ape Calessino 200 even more agile and easy to handle, even in the toughest driving conditions.

With its immediate appeal, the Ape Calessino 200 is ideal for special events, brand promotion and advertising. It is also perfect for transporting passengers around historic city centres, resorts and tourist attractions, and its evocative personality makes it a must-have for collectors and fans of Italian style.

COLOURS

WESTERN RED

CHARMING BLUE

ARTIC WHITE

For two passengers plus driver, the Ape Calessino features a unique open structure with practical soft top to enjoy views and the open air, at any time on your journey. The livery features classic Yachting colours: Western Red, Arctic White and Charming Blue, combined with the soft top and four doors in waterproof, washable fabric in a sophisticated beige, matching the seats, courtesy pockets and interiors. Featuring Piaggio's new, 4-stroke 200cc single cylinder petrol engine, with four speed gears.
